

KerryAnn Dallas
Region 4

I am running for a second term with the GHRA board of directors. I have been on the GHRA board for 3 years now and I've been working to upgrade our GHRA Rule book, bylaws and the registry itself. We have so many new upgrades and programs to continue to roll out. I would like to be nominated again to finish what we've started. The GHRA is a fantastic registry for this amazing breed of horses and I truly enjoy being part of this for the future.

My husband and I have been raising and breeding gypsies for approximately 5 years now. I enjoy competing in western dressage and just getting into English dressage. I would appreciate your consideration in continuing to serve on the GHRA board.

Thank you.
