

Gypsy Horse Registry of America, Inc.

Embryo Transfer Enrollment Form

Directions: Submit this form with applicable enrollment fee (see work order) prior to collection of an embryo. The enrollment is not transferable or refundable. Only one enrollment per year is required, regardless of the number of embryos being transferred. Parentage of resulting foal must be verified by DNA testing prior to registration. (Donor mare, sire and foal must all be genetically tested.) A late fee will be applied for enrollments received after collection of the embryo. Late fees are doubled for enrollments received after foaling.

This is notification of the intent to attempt an embryo transfer from the mare listed below.
